Dear Potential Client,

Good afternoon, I am the Support Services Director for Window Rock Unified School District No. 8. I have utilized ASTA roofing for three of our projects with the school district. I have nothing but good things to say about ASTA roofing. If I could sum it up with one word, it's "customer service".

I would recommend ASTA roofing without hesitation to interested parties. I enjoy working with Kevin Young and Tim Young, ASTA roofing came back or has always called to ensure the job is done right. If you have any questions, please do not hesitate to reach me at (928) 729-6737 or (928) 551-2251.

Sincerely,

Marvin Nez  
Operations Director
